

COTSWOLD FUNGUS GROUP

Welcome to Cotswold Fungus Group.

We are self financing and a small membership fee is levied to cover postal costs and stationery involved in writing to woodland authorities for permissions to foray and sending out an annual report and foray summaries. Current membership costs are set out on the form below and include the cost of Public Liability Insurance cover which the group must hold in case of accidental damage to the woodland or injury to forayers. Please complete and return the attached subscription form along with your payment. The 2011 Spring and Autumn Foray programmes and CFG Newsletters will only be sent out to those who have already paid their membership fees.
